USA v. Camacho No. 07cr3382-DMS

Plaintiffs Defendants

PROCEEDINGS: _____ In Chambers _____ In Court _____ Telephonic

Attorney Howard B. Frank, Esq. requested to be relieved as counsel in this case and that appellate counsel be appointed. District Judge Larry Alan Burns referred appointment of appellate counsel to Magistrate Judge Louisa S Porter.

There is sufficient showing that Defendant is indigent, and therefore, qualifies to be appointed appellate counsel since Mr. Frank was appointed through the CJA. Therefore, Mr. Frank's request to be relieved as counsel is granted. Defendant will be appointed new counsel by separate order.
